

Three Historic Houses...

Three Centuries of Local History

Please Join Us!

In 1919 a visionary group of volunteers formed a nonprofit organization to preserve Plymouth history. The Society currently operates three historic house museums: the 1677 Harlow House, the 1749 Spooner House, and the 1809 Hedge House. Each of these homes has an extensive collection of period artifacts. Together they tell the story of everyday life through three centuries and preserve the history of Plymouth after the Pilgrims.

Your support of our Society ensures the preservation of local history, and helps bring that history to life through programs, exhibits, and events.

Membership benefits include:

- Free admission to PAS properties
- 10% gift shop discount
- Discounts on programs and events
- Advance notice of special events
- Subscription to our seasonal newsletter
